

ENGLISH BOARD

FIGHTING THE COVID-19

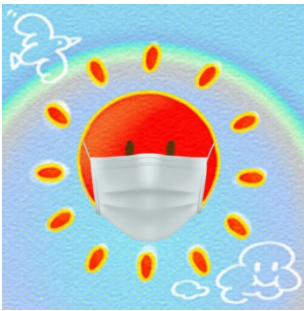

Japan and the rest of the world continue to fight against COVID-19. Do you know what "COVID-19" means? CO means "Corona," VI means "virus," and D means "disease." The number 19 comes from 2019. The virus is spreading all over Japan so we must remain diligent in protecting ourselves and the people around us. We all have a duty to wear a mask, wash our hands, and practice social-distancing. Stay safe!

Virus Prevention

Hand Washing

WHAT'S IN THE NEWS

Welcome to the summer-less summer. With the Coronavirus spreading, many people are staying home this year. According to a poll, over 40 percent have not made any plans. Most people are canceling their travel plans. Summer vacation from school is shorter because of the canceled classes. Adults and children are looking for new ways to spend their summer holidays while they protect themselves from the Coronavirus. How are you spending your holidays? Protect yourself and have a safe and healthy summer!

ENGLISH CHALLENGE
