# ONLINE CLASSES

The online classes at Kagoshima Daiichi have begun! The teachers are busy finding their own style and methods to do their classes online for their students. Are you watching the videos? One good point about the videos is that you can watch them again to review and study. Take advantage of this opportunity and advance your studies online!

# WHAT'S IN THE NEWS

Masks have been sold out everywhere! With the Coronavirus pandemic, it is very hard to find masks in the stores. Many people have started making their own. There are many different kinds of masks if you look around. Even Prime Minister Abe has announced that the government will send two masks to every household. What kind of mask do you wear? In the future, there could be a mask fashion show!
